Legend:S4
Format and arrange the labels around this instrument. This layout applies to any instruments with this legend applied.

This diagram shows a row of lighting fixtures labeled 'AP 2'. The fixtures are represented by icons and labeled with their model names, quantities, and addresses. For example, 'ETC Source 4 19deg @750 W' is shown with a quantity of 10 and address 10. The diagram also includes a 'Symbol Key' on the right side, which defines the icons used for different lighting fixtures and accessories.
